

Financial Literacy training activity

IRC provides “Good Financial Discipline Creating Good Well-Being” Training

News

16 May 2016

On May 11th, 2016, Inoue Rubber (Thailand) Co.,Ltd provided the financial literacy training session about money to IRC’s employees in regards to the “Good Financial Discipline Creating Good Well-Being” topic. The training activity was supported by Financial Consumer Protection Center, Bank of Thailand, and it received an honored from Khun Wanlaya Sritong-oon and her team to become the lecturer who educated and shared experience about financial discipline, money saving and basic investment to the employees.

“ส่งเสริมความรู้ คุณเลเรื่องร้องเรียน
เกี่ยวกับบริการทางการเงิน”

The training aims to provide the correct understanding and knowledge to the employees before making financial decision, as well as support their financial planning to create better well-being of the employees. This time, there were about 100 interested employees from both IRC and IRC’s group attended the training session at IRC Wang Noi’s Training Building.
